Before you book

- The advertised price is a low-season starting fare in the lowest booking class. Flights, hotels and tickets remain subject to availability and Gala Holidays confirmation.
- Mid-May to mid-August and December each year generally attract higher airfares. Ask Gala Holidays for current pricing. Both hotels have their own peak dates that may also affect the price.
- Room category, bed type and stay sequence require confirmation. Meals, transfers and additional activities are not listed as inclusions. Ask Gala Holidays to quote extras and confirm booking terms.

Your own time: explore Hong Kong independently. This is an air-and-hotel package with a self-guided cable-car visit; no guided touring is included.
