

GALA HOLIDAYS

EXCEPTIONAL JOURNEYS, THOUGHTFULLY PLANNED

ADD TO YOUR TAIWAN JOURNEY

A little longer in Hong Kong

7 nights | Taipei • Hong Kong • Taipei

Give Hong Kong a whole week. Discover neighbourhood cafés, harbour evenings and dim sum at your own pace, with your hotel and connecting flights arranged.

US\$599

per person • optional Taiwan add-on

Seven nights, based on double occupancy, with TPE-HKG-TPE flights and Ngong Ping 360 round-trip cable car tickets.

The journey, day by day.

Arrival | From Taiwan to Hong Kong

Continue your journey with the arranged Taipei-Hong Kong flight, then make your own way to Hotel Alexandra or a similar hotel. With seven nights ahead, there is time to ease into the city instead of rushing through it. A separately quoted airport transfer can be requested if you prefer a smoother arrival.

Seven nights, based on double occupancy. Hong Kong airport transfers are not included.

At leisure | Harbour evenings and neighbourhood discoveries

This is your week to shape. You might linger over dim sum, browse neighbourhood markets, wander small streets or watch the skyline light up after dark. These are suggestions for your independent time, rather than an escorted or included sightseeing programme. Meals, local transport and additional activities are at your own expense.

Independent stay. Set your own pace; no daily guide is included.

Included ticket | See Lantau from above

Your extension includes a Ngong Ping 360 round-trip cable car ticket. Plan a day to enjoy Lantau's changing views from the cabin and explore independently on arrival. Ticket details, operating arrangements and availability will be confirmed with your booking; any additional transport, admissions or meals are separate.

Ngong Ping 360 round-trip cable car tickets included.

Return | A well-timed connection home

After your seventh night, return to Taipei on the arranged Hong Kong-Taipei flight and connect with your onward China Airlines journey. Gala Holidays coordinates the flight sequence at booking, so your Hong Kong extension fits naturally after the Taiwan programme.

TPE-HKG-TPE airfare included. Final schedule is subject to confirmation.
