01 / Sunday · Seoul / Gongju / Jeonju

Royal history, traditional streets.

Meet at 8:00 a.m. in the parking lot in front of Donghwa Duty Free, Gwanghwamun, Seoul. Your first discoveries are in Gongju: the Tomb of King Muryeong and Gongsanseong Fortress introduce the royal heritage of this former capital. Continue to Jeonju Hanok Village, where tiled roofs and traditional lanes change the scale of the journey. The night is spent in Jeonju, rather than returning to Seoul.

02 / Monday · Gwangju / Suncheon / Yeosu

Reflection, gardens and a southern harbour.

After breakfast, visit the May 18th National Cemetery in Gwangju, a place of remembrance within the day’s regional journey. Continue to Suncheon Bay National Garden, where landscaped spaces offer a different pace and perspective. Finish the touring day at Yeosu’s Yi Sun-sin Plaza before your overnight stay. On the garden’s last-Monday closure, the itinerary substitutes Naganeupseong Folk Village or Suncheon Drama Film Set.

04 / Wednesday · Western & southern Jeju

Tea, gardens and a coastline of contrasts.

Begin after breakfast with Hyupjae Beach and Spirited Garden. Bonsai trees, stone sculptures and tranquil ponds make the garden a close-up counterpoint to the island’s open coast. At O’sulloc Tea Museum, the focus turns to Korean tea culture. Continue with the Sanbang Mountain Cruise and Cheonjeyeon Falls before returning to your resort. The variety is the pleasure: cultivated gardens, tea heritage and water-shaped scenery in one island day.
